A Sri Sandhya

I personally found this course amazing as not only was the teacher very interactive, but her style of teaching made it very easy to understand the otherwise complex theory behind money and finance.

Feedback on facilities from the student's Report and analysis

The college was re-accredited in September 2023 and all facilities, electric appliances like fans, LED tube lights, Powerpoints, and digital boards were arranged and upgraded in classrooms. Other facilities like ground, play courts, washrooms, cleanliness of the sick room, dining hall and canteen were made up to the mark. , with the funds raised from the local philanthropists.

all the students appreciated the college authorities' efforts to provide facilities and requested to maintain them in the future.

The Principal and staff council resolved to maintain the facilities available in the campus and by taking AMC from the electrician, AMC for computer service provider and continuous maintenance of wash rooms, sick rooms etc., by allocation of funds for this purpose and office to watch and ward closely the maintenance.
